**Background:**

The CARCD Forest Stewardship Committee has scheduled a field tour to the King Fire project area as part of the CARCD Annual Conference. The committee, CARCD, the EDCRD and the GDRCD are proposing to cooperatively fund the tour. The Committee is limited to pay for its members of which there are only 4 representatives attending. CARCD is committed to paying for a portion but has not determined the maximum amount it is able to pay at this time. Staff is requesting the Districts to help support the tour as part of conference support through authorizing funds in an amount not to exceed \$250.00 per District.
