

Sierra Springs

RIGHT OF ENTRY

DATE: _____

Assessor's Parcel No.(s)

Dear Madam or Sir:

Permission is hereby granted to the El Dorado Resource Conservation District; its officers, employees, contractors, designees and/or permittees to enter upon your property identified by the above-referenced Parcel No. for the purpose of performing fuel load management activities, hereinafter referred to as the project.

Landowner hereby grants the El Dorado Resource Conservation District, or its agents, contractors, permission to enter onto real property owned by the Landowner to perform fuel load management, restoration and reforestation activities. Access shall be limited to those portions of Landowner's real property where the actual fuel load management work is to be performed and those additional portions of the real property, which must be traversed to gain access to the project site.

In consideration of the permission granted, the El Dorado Resource Conservation District agrees that:

- This Right of Entry shall only be valid Until December 1, 2024.
- Only those portions of the property shall be accessed as necessary to gain access to the project site and conduct fuel load management activities.
- No structures of any type will be entered, disturbed or damaged.
- Work will be performed in such a manner that ingress or egress to the property will be only affected as is practicable to complete the necessary work.
- No debris or waste material will be left on property.

INDEMNIFICATION-HOLD HARMLESS

"El Dorado Resource Conservation District" shall indemnify owner against loss or damage caused by any wrongful or negligent act or omission of El Dorado Resource Conservation District, its agents or employees, contractors, in the course of their employment as may be provided for in the California Government Tort Claims Act (Government Code Sec. 810 et seq).

This permission is granted in consideration of the construction, improvements, or other purpose mentioned in this letter, which it is understood, is required by the El Dorado Resource Conservation District and shall continue in effect until this work is completed.
